The New Hampshire Economy

Greg Bird

Mt. Washington Valley Economic Council

February 2, 2017

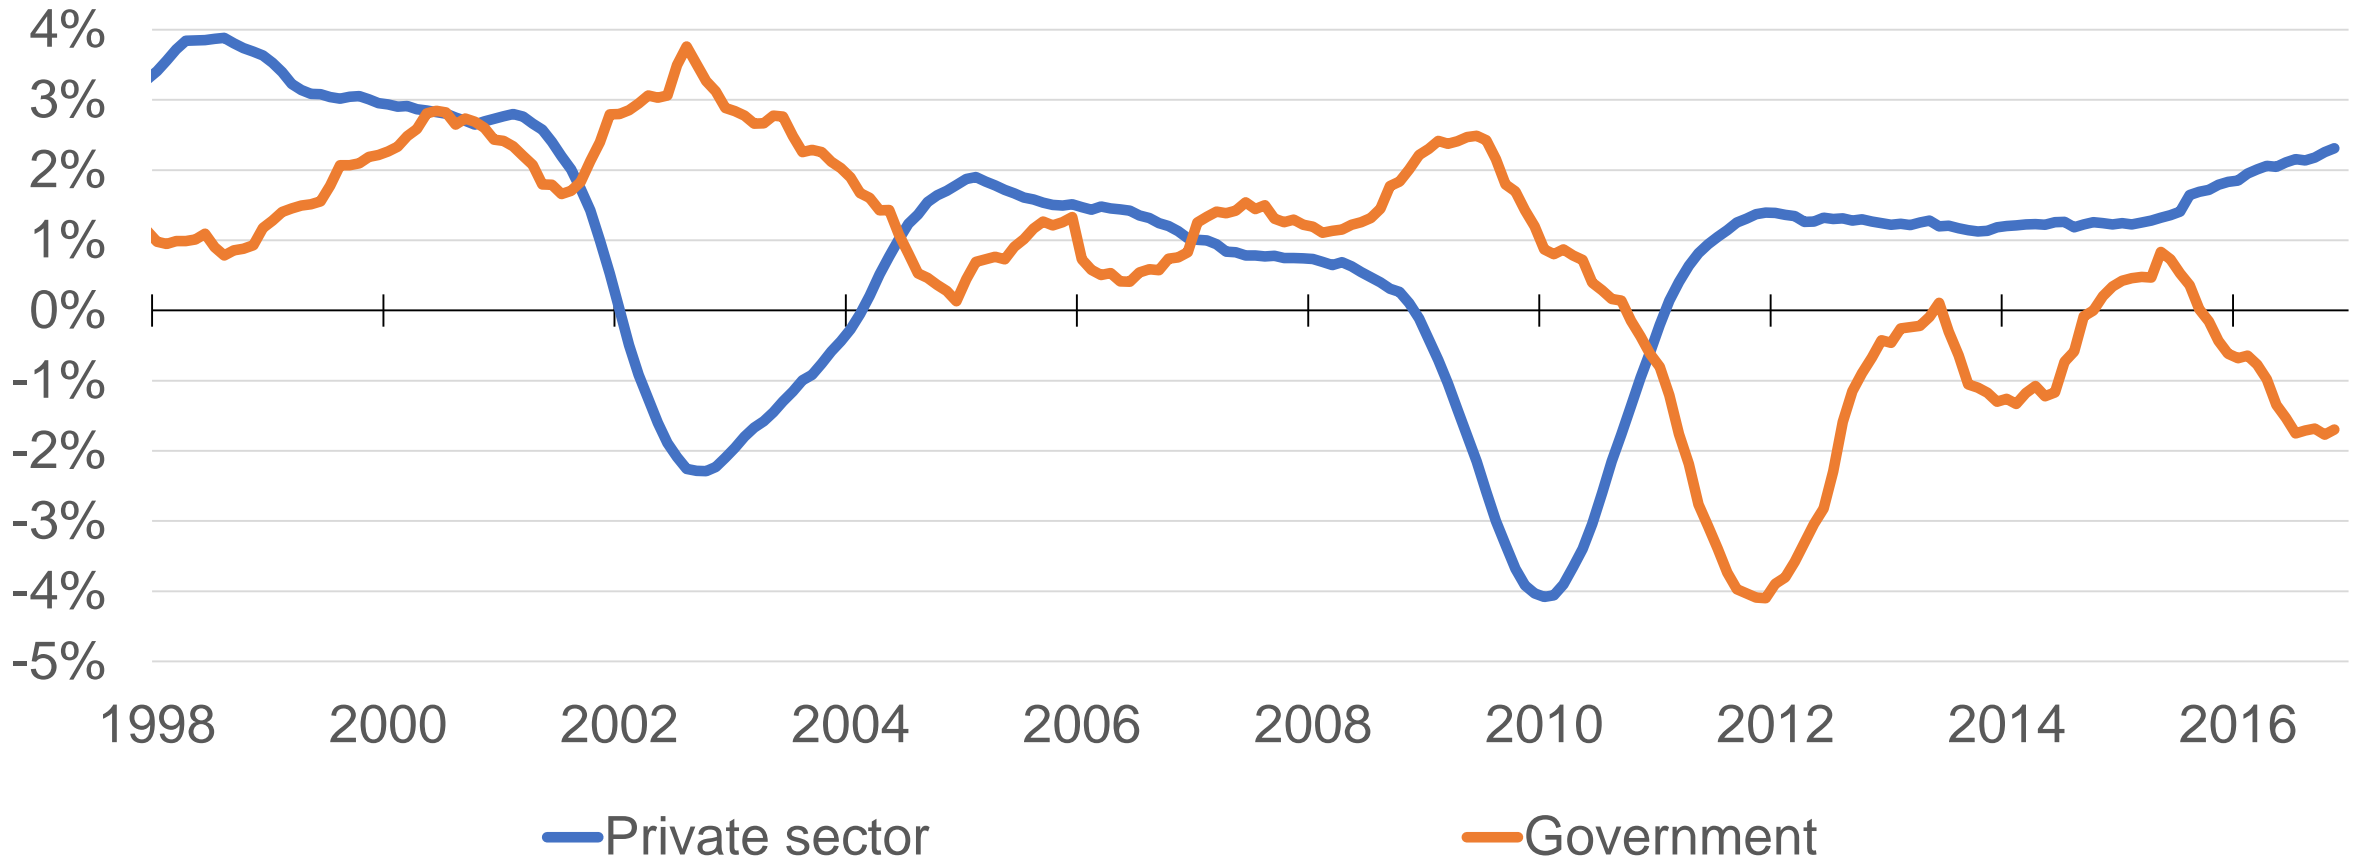

"... to raise new ideas and improve policy debates through quality information and analysis on issues shaping New Hampshire's future."

New Hampshire economy: Partying like its 1999, but we might be running out of people to employ.

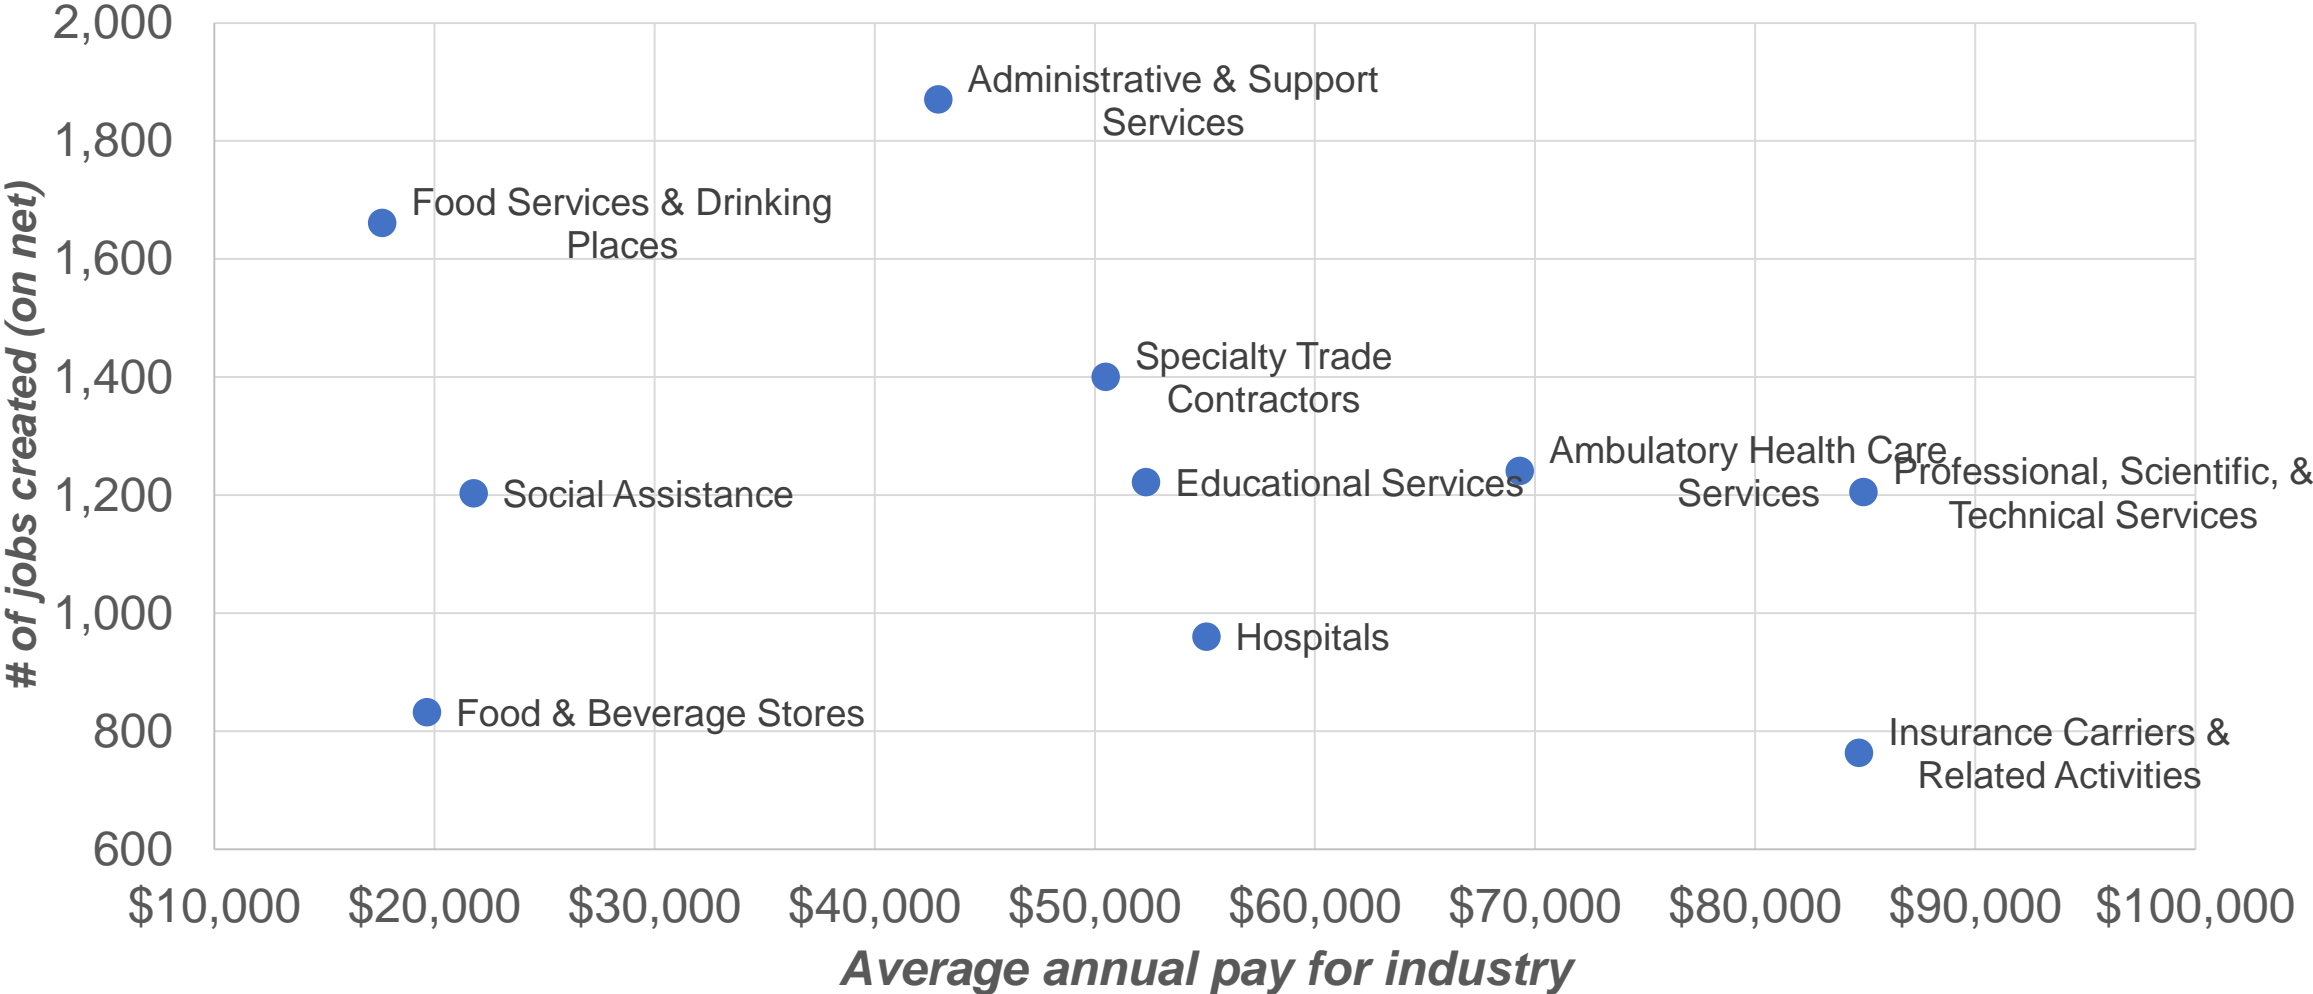

NH businesses expanding payroll at a solid pace

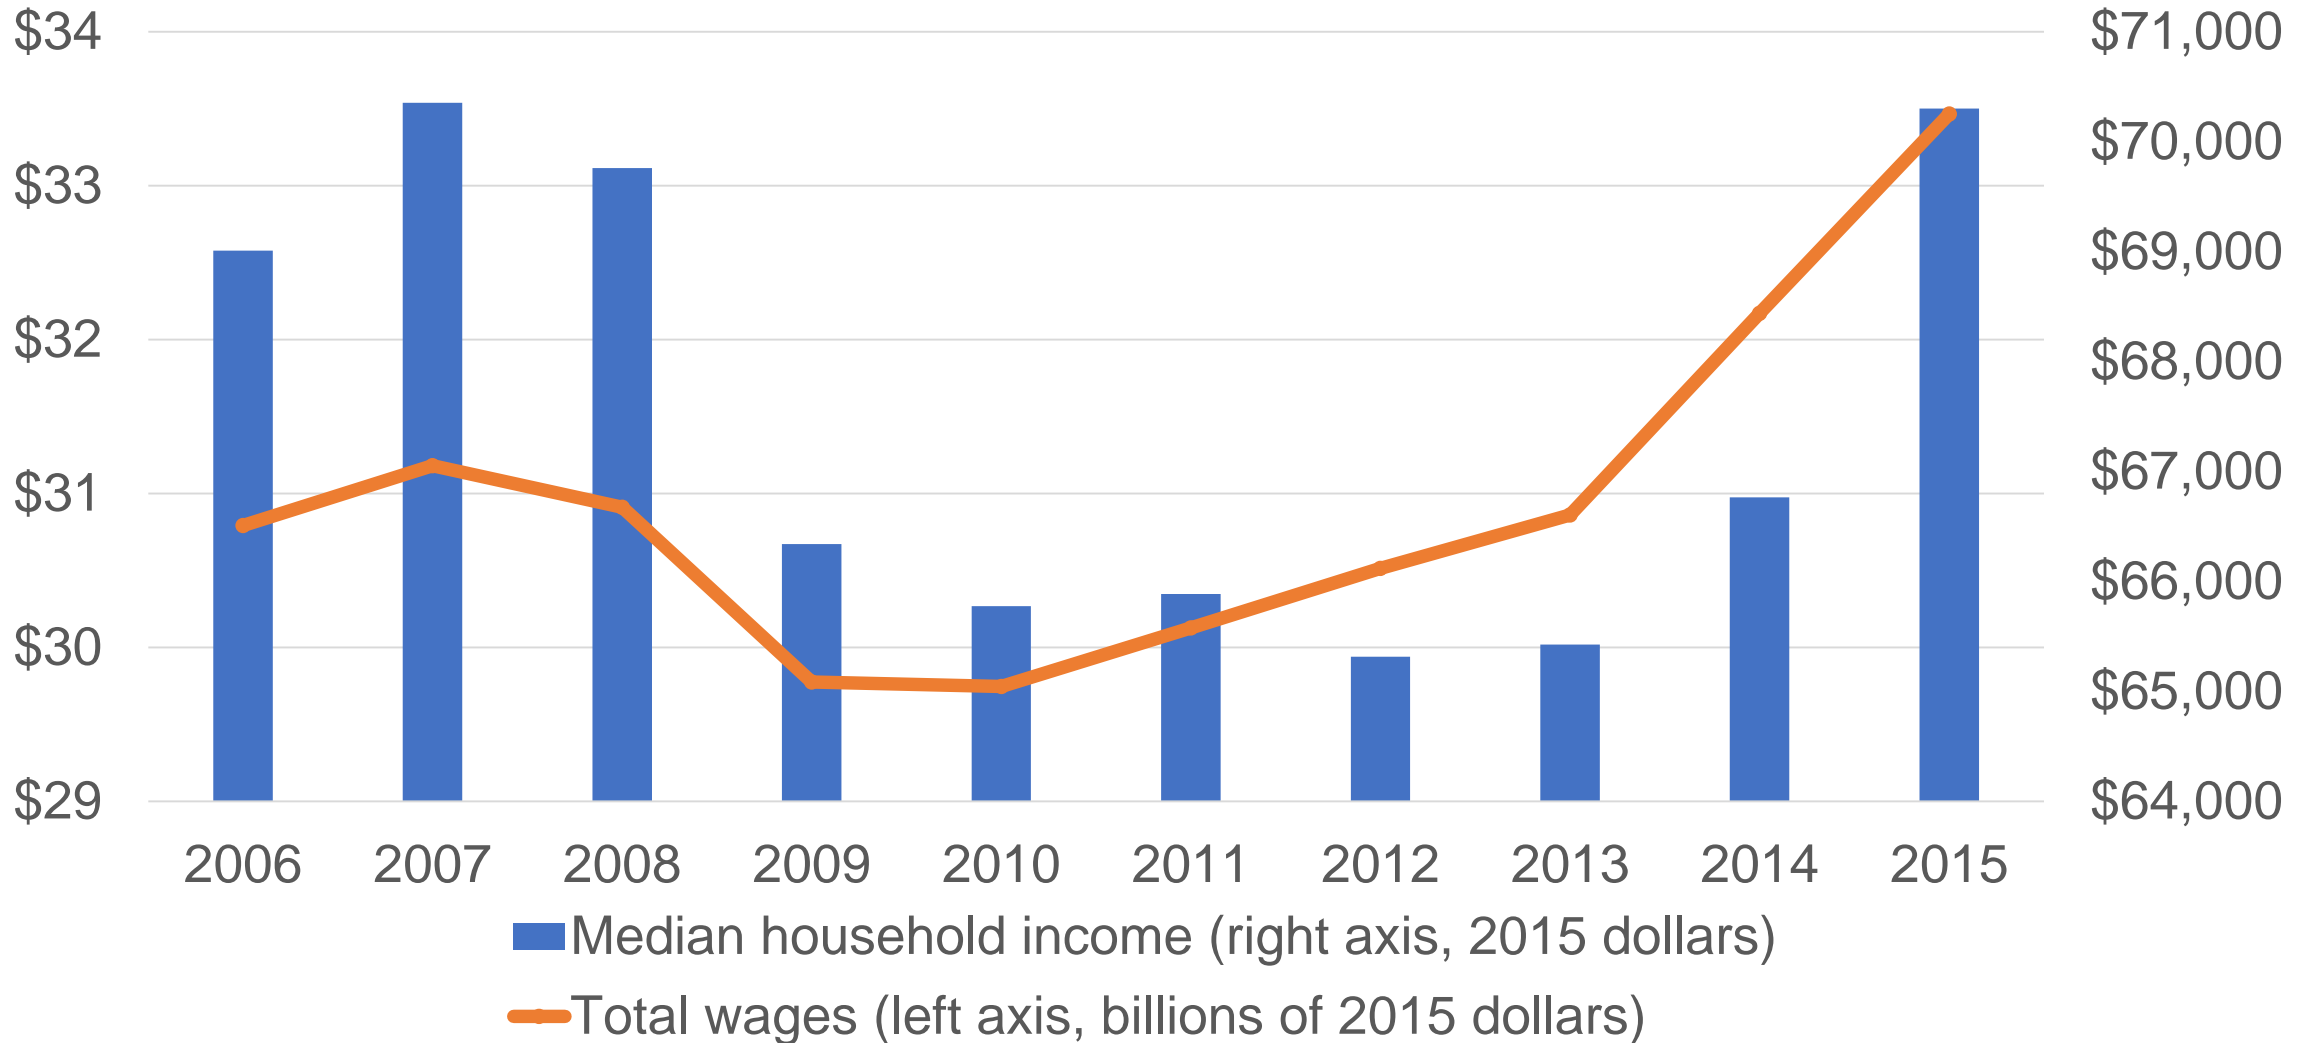

Employment, % change from year ago

Top 10 job creating industries: June 2014 to June 2016

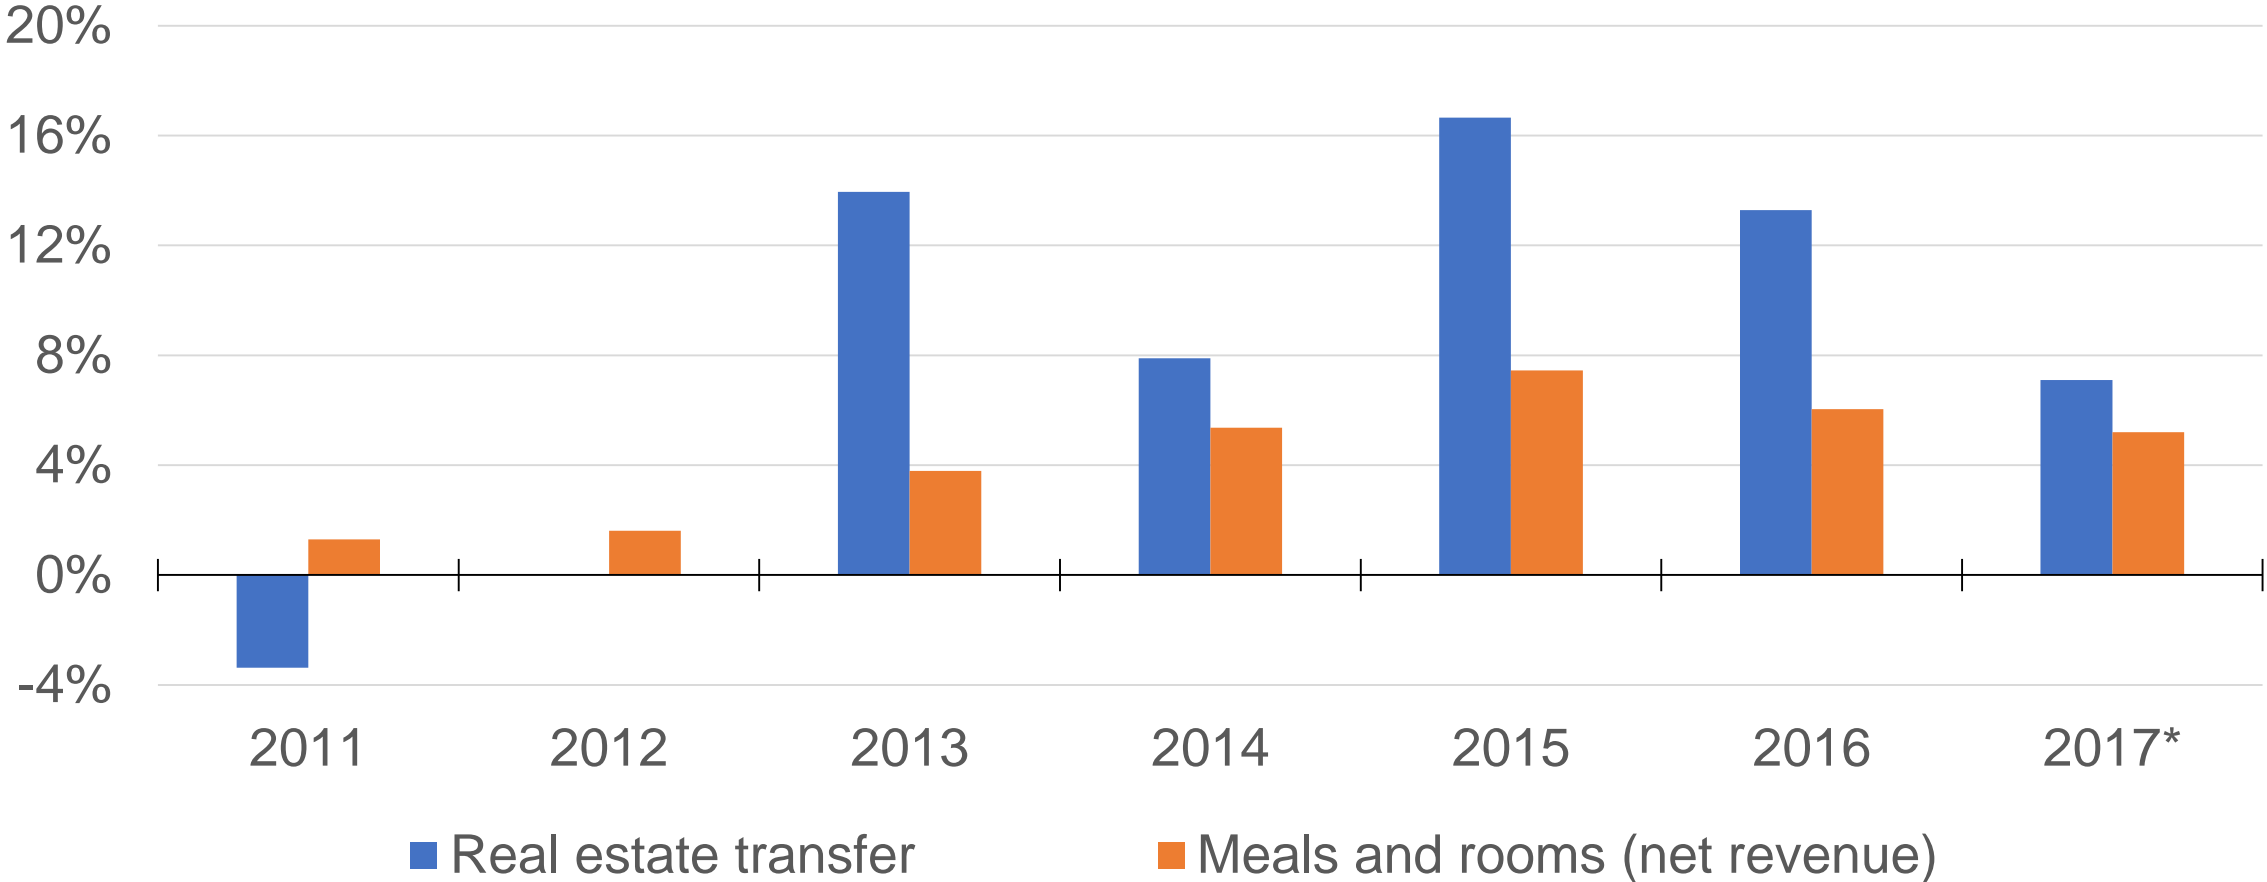

Household finances improving and their best in some time...

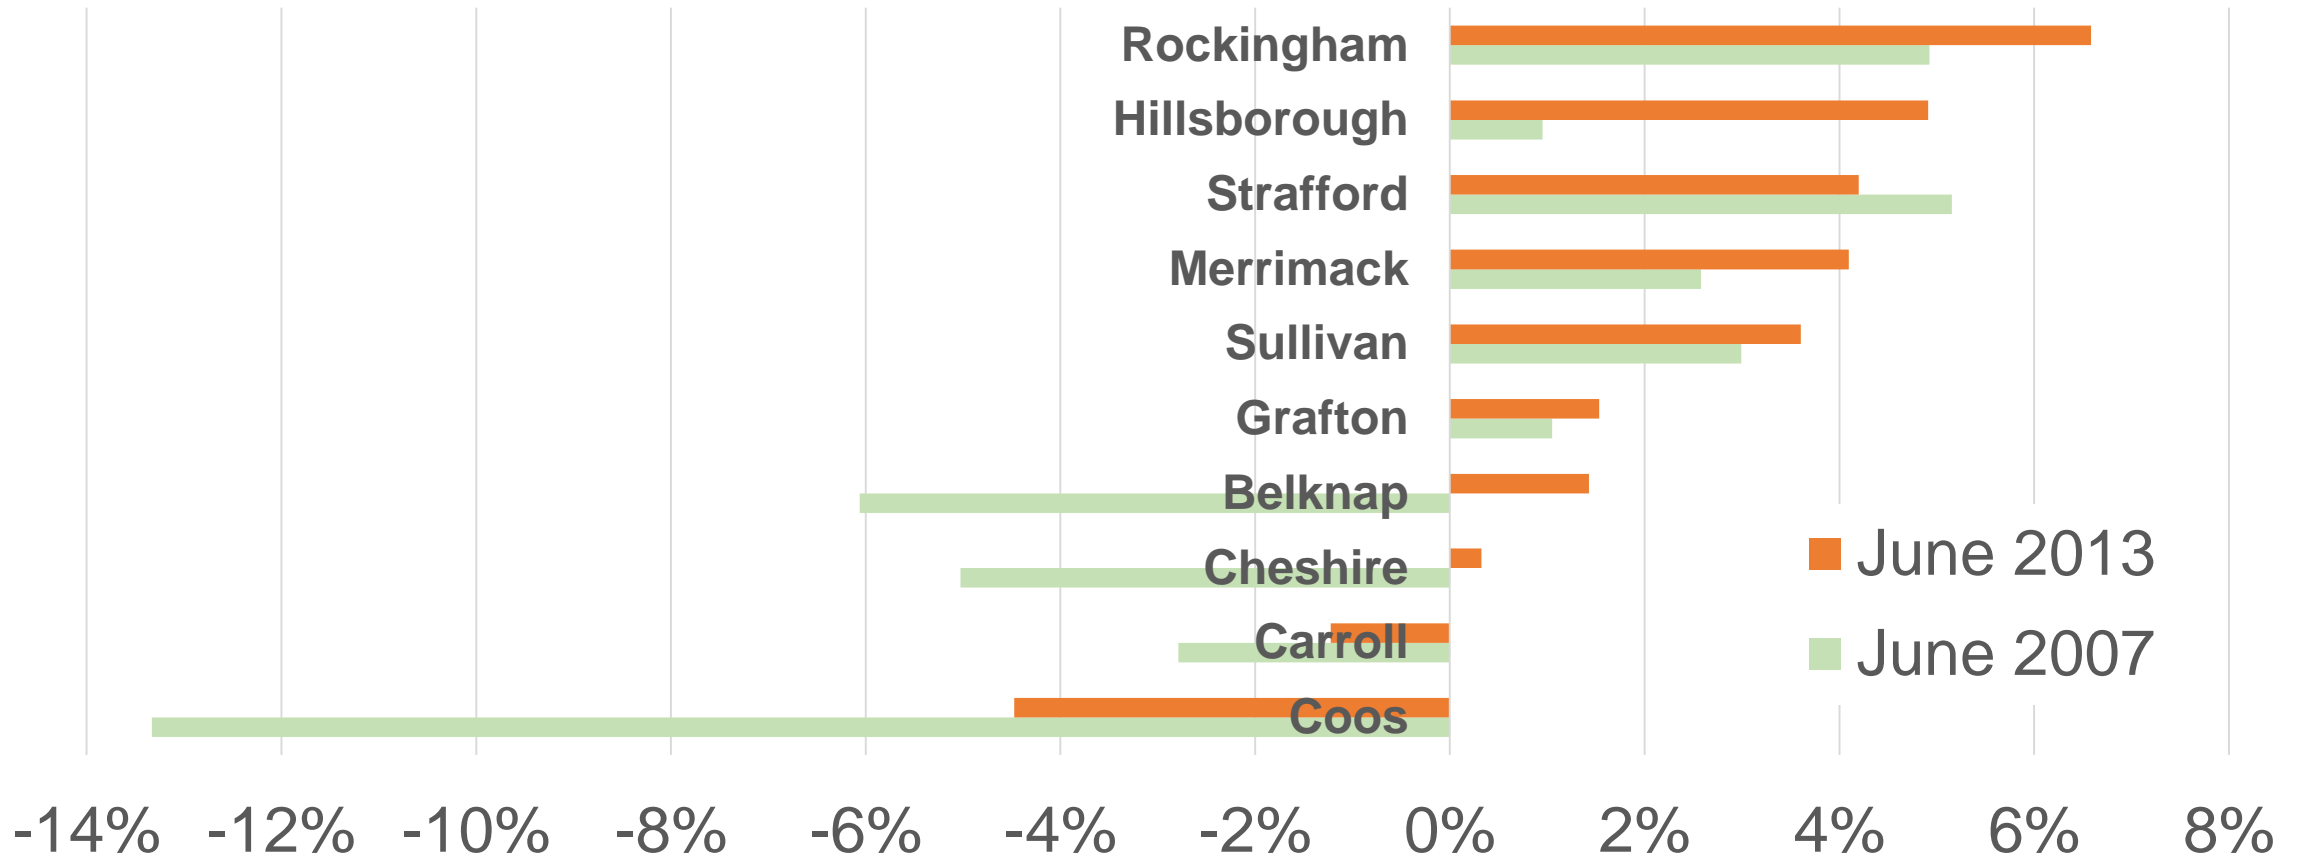

...which is likely behind positive trends in consumer-related tax receipts

Select NH state taxes, % change from previous fiscal year

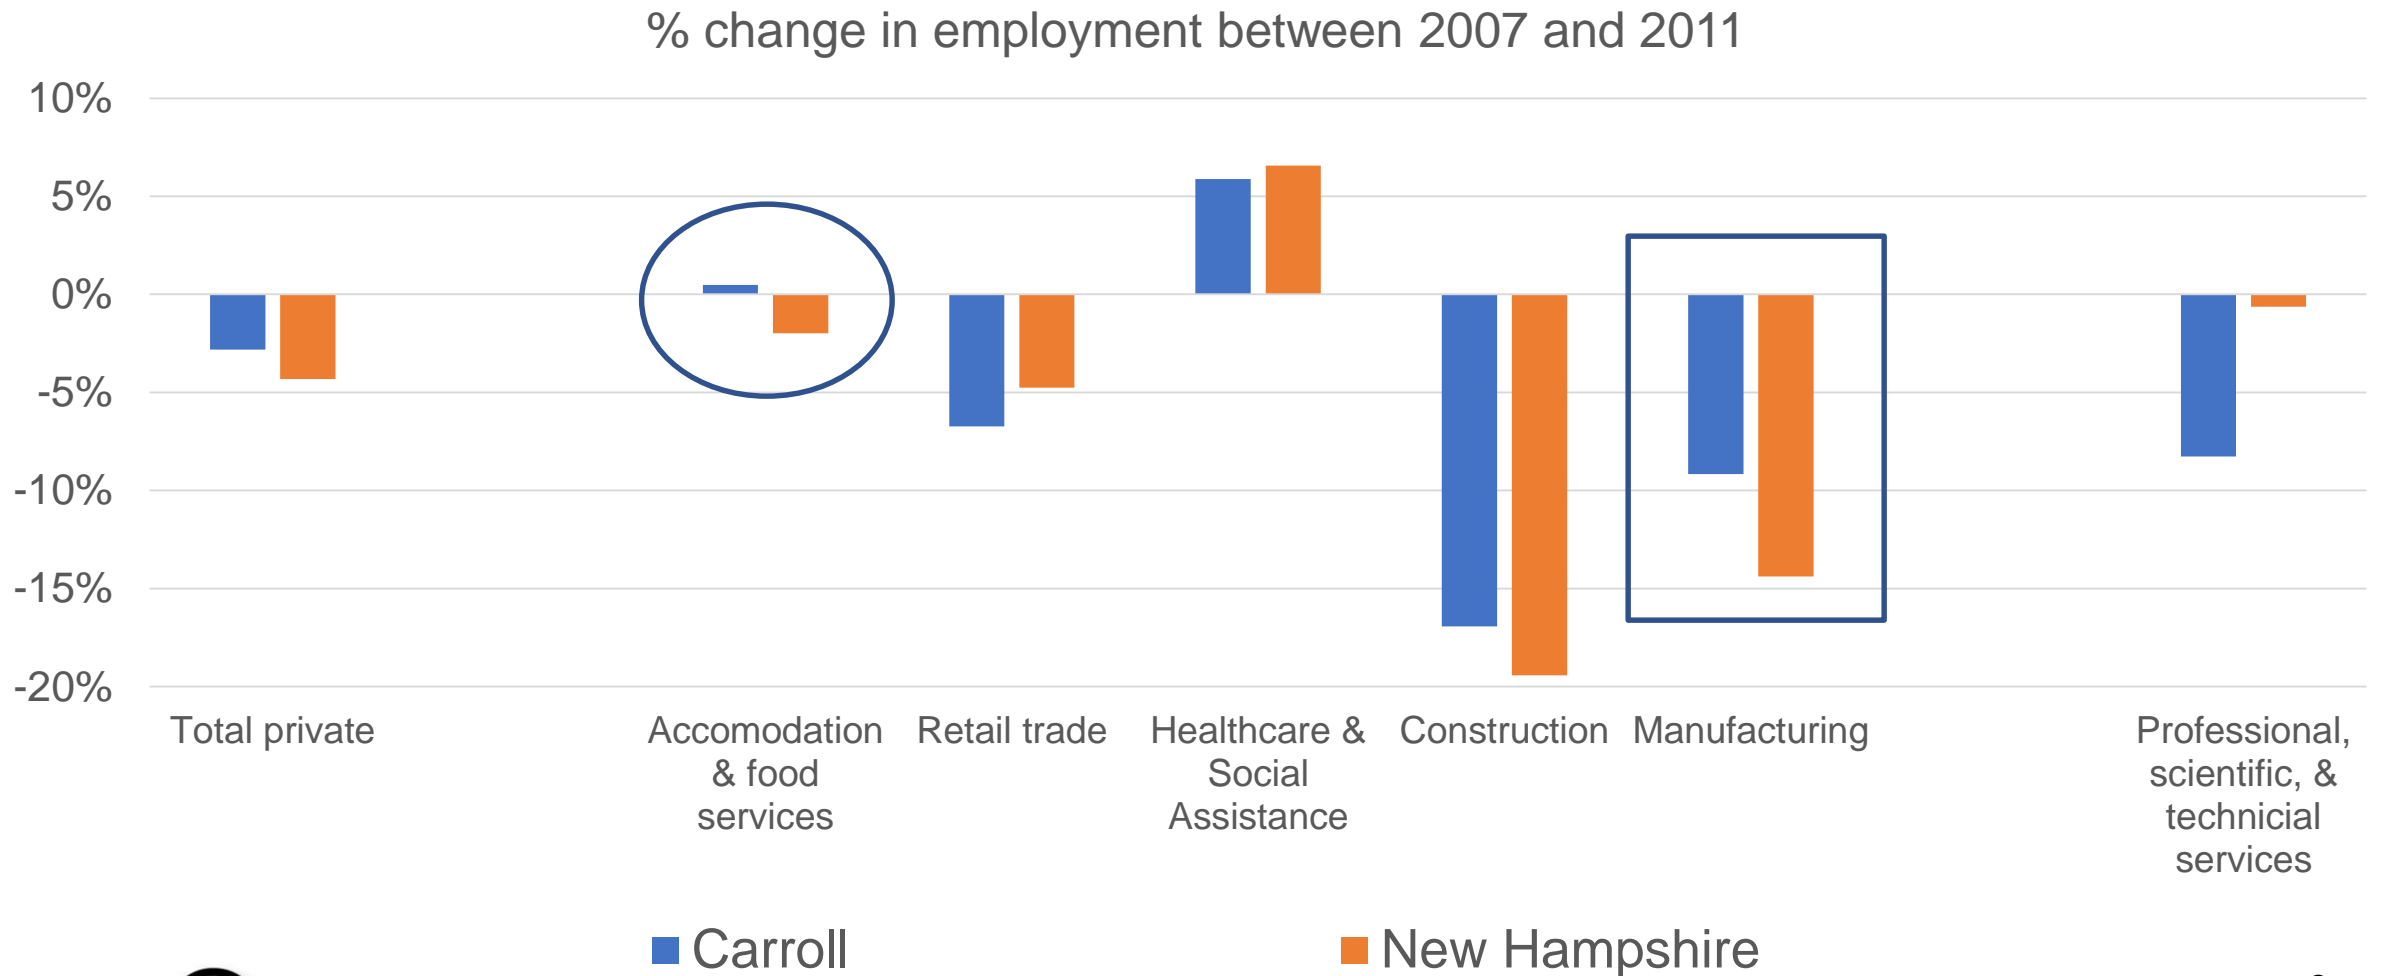

Not every corner of the Granite State being lifted by the rising tide.

% change in total employment, June 2016 relative to ...

During the recession, Carroll County's private sector held up a bit better than most places in the state

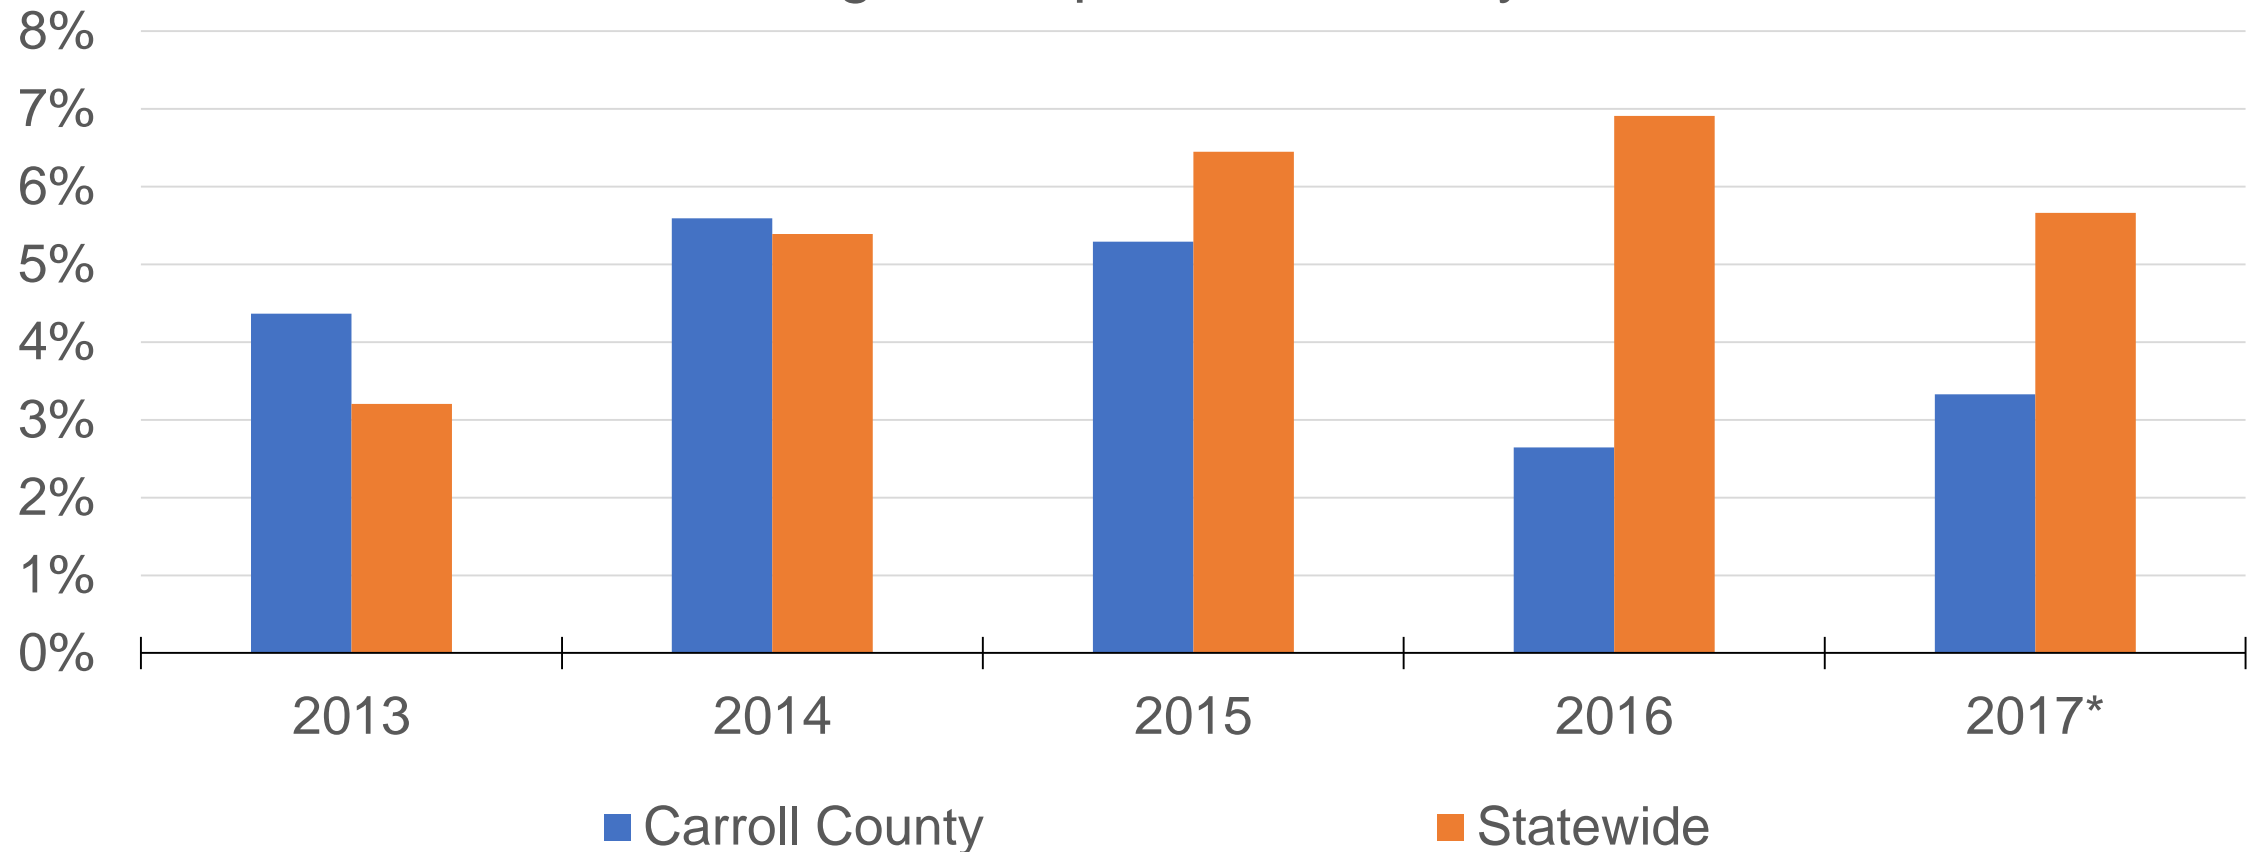

However, it has been a different story as the economic recovery has unfolded

% change in employment between 2011 and 2015

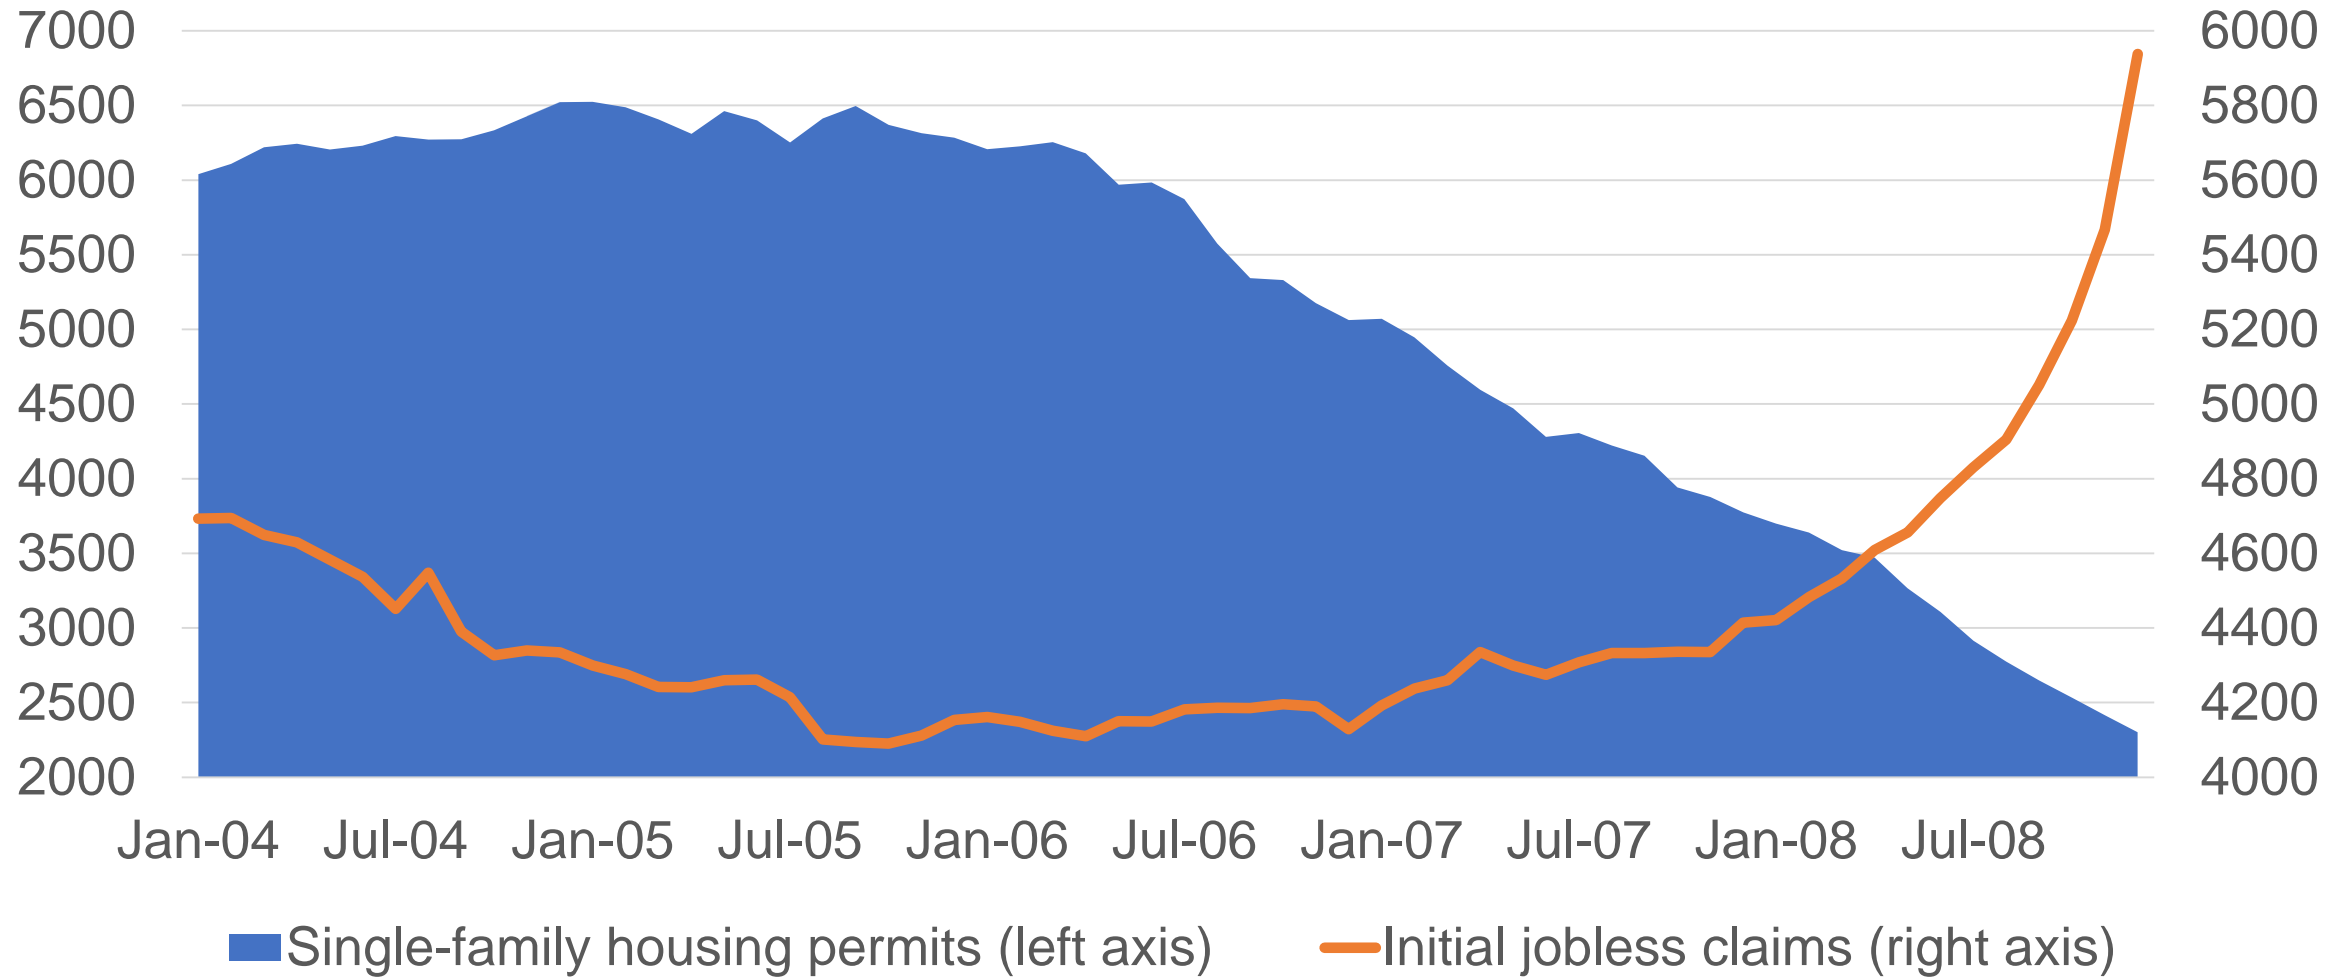

A notable deceleration in receipts has transpired in Carroll County.

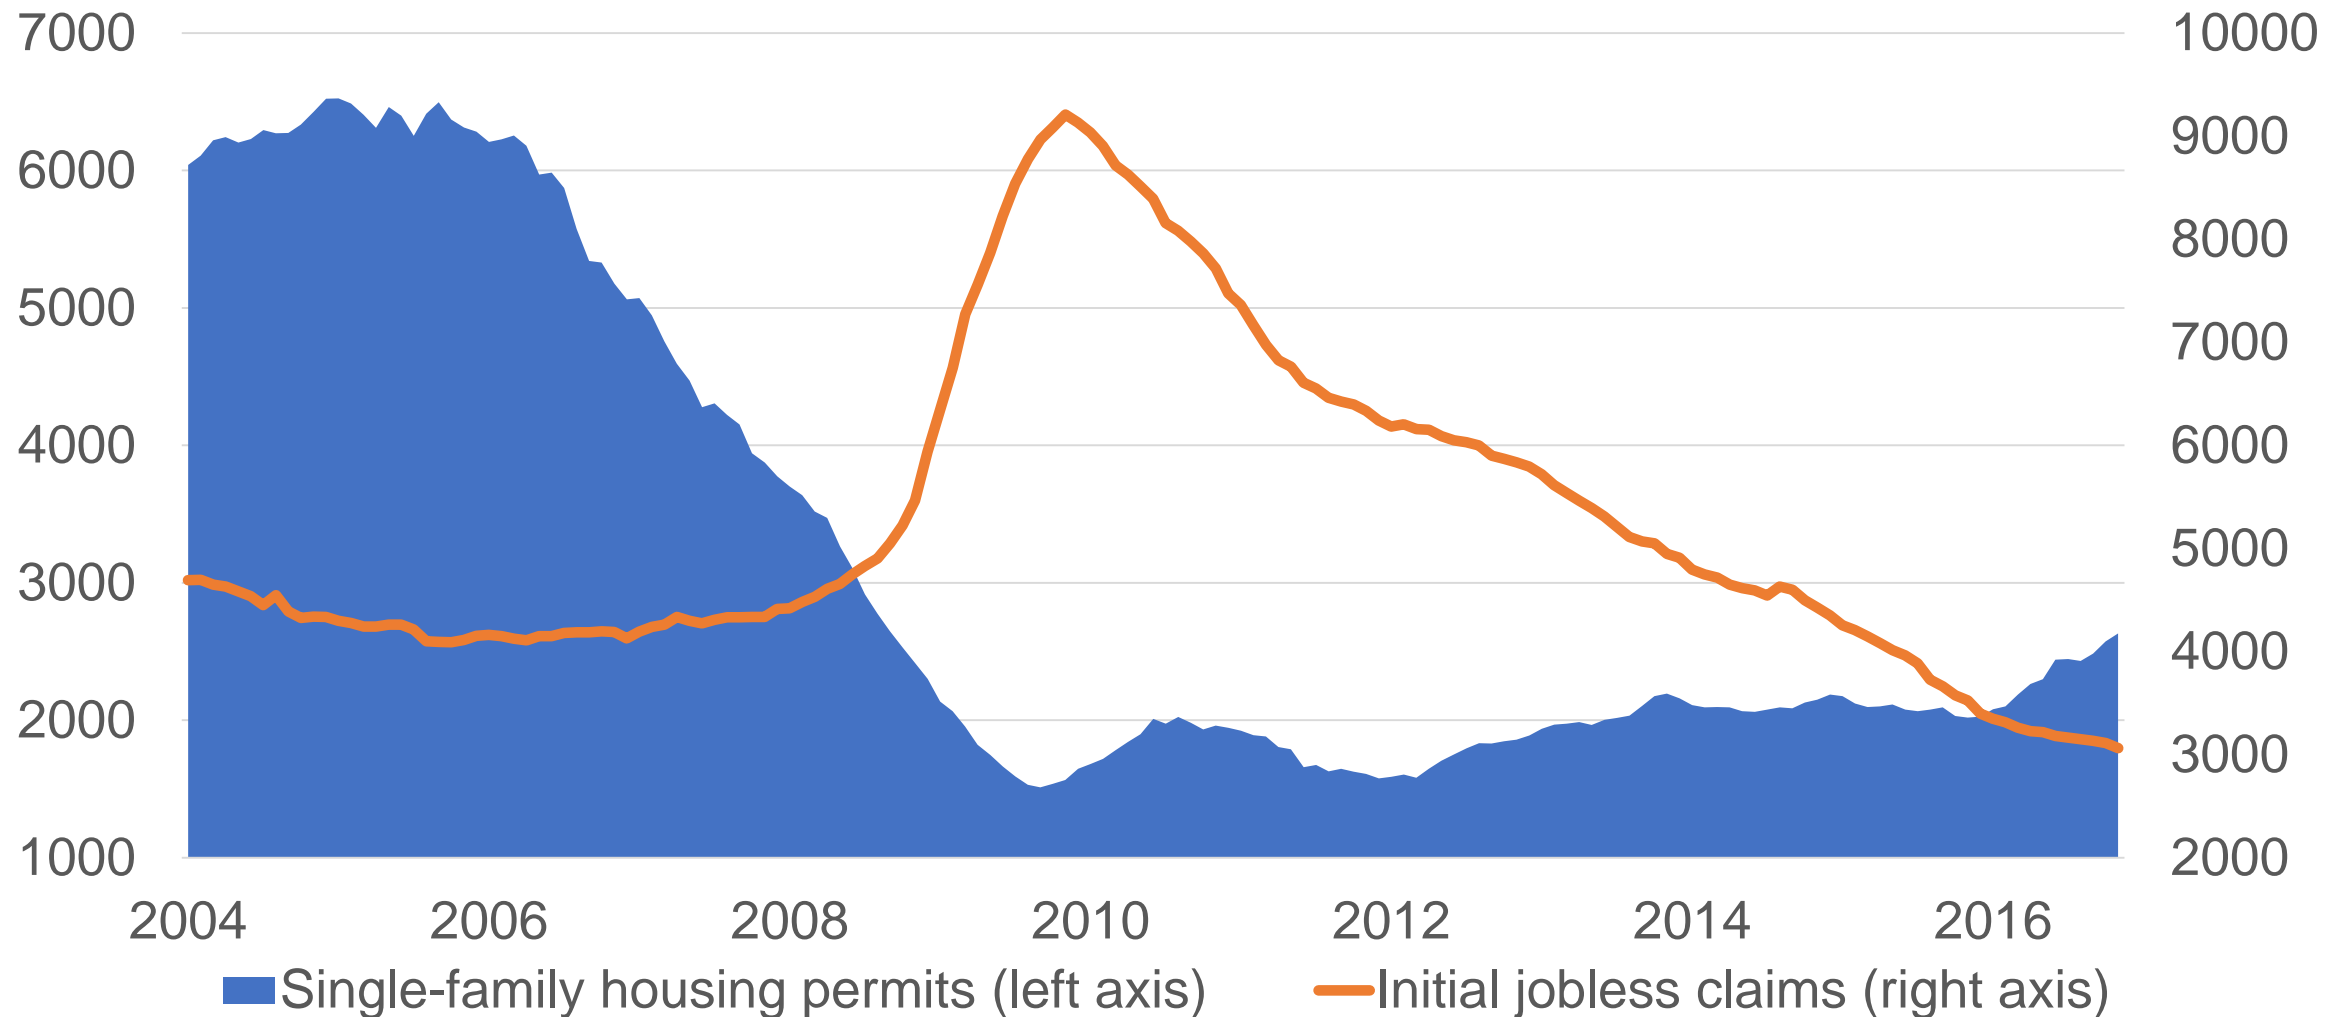

Meals & rooms tax revenue (gross collections)
% change from previous fiscal year

Leading economic indicators (part 1): Great Recession

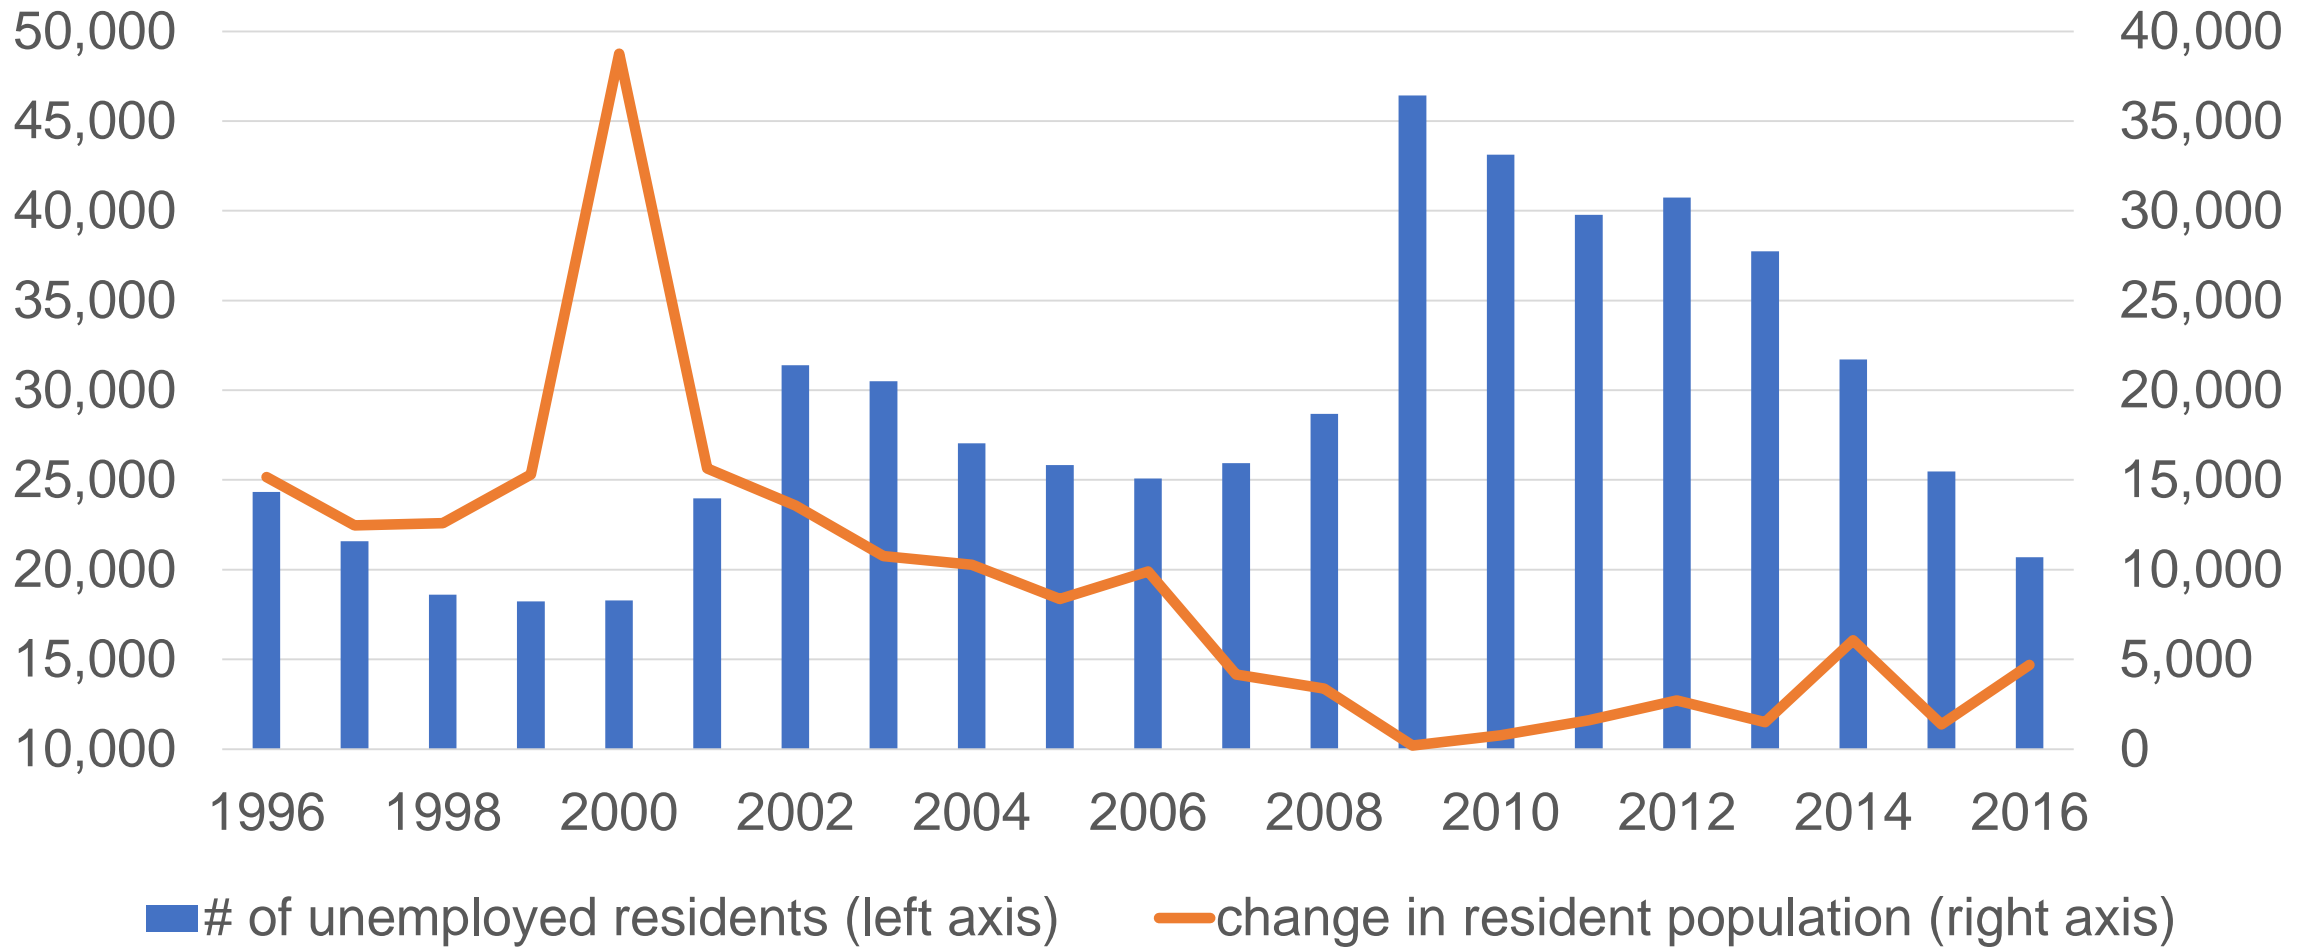

Leading economic indicators (part 2): Today

The pool of unemployed: Historically small

Net migration: Historically weak

Front end of the pipeline: Stable to waning
 Back end of the pipeline: Continuing to swell

	2010	2015	2020	2025
<i>Inflow to labor force:</i>				
20 to 24 years old	84,546	86,427	81,263	80,650
<i>Outflow from labor force:</i>				
65 to 69 years old	57,176	77,122	87,398	100,406
70 to 74 years old	39,586	51,627	70,238	80,486
<i>Working age population:</i>				
20 to 64 years old	812,400	802,917	783,786	757,281

Population projections by county (20 to 64 year old population)

	2015	2025	Change	% change
Coos	19,882	16,177	-3,705	-19%
Carroll	27,017	23,628	-3,389	-13%
Grafton	53,178	47,773	-5,405	-10%
Sullivan	25,633	23,364	-2,269	-9%
Cheshire	45,542	41,771	-3,771	-8%
Belknap	35,165	32,392	-2,773	-8%
State	802,917	757,281	-45,636	-6%
Merrimack	89,367	84,511	-4,856	-5%
Hillsborough	245,955	234,369	-11,586	-5%
Rockingham	184,276	177,888	-6,388	-3%
Strafford	76,902	75,408	-1,494	-2%

What's happening in the public policy arena that could impact the region?

- Federal

- Memorial Hospital: Will repeal & replace of the ACA put federal subsidies and Medicaid payments at risk?
- Employers: What could diminished global trade & immigration mean to you?

- State

- School districts: How will cuts in state funding (stabilization grants) impact your budgets? Declining enrollment?
- Workforce: Will there be enough qualified people?
